

# AVADH Enterprise

At Avadh Enterprise, we are committed to manufacturing and supplying precision machined engineering components that consistently meet customer requirements and applicable statutory and regulatory requirements. We are committed to:

- Maintain consistent quality in all our machining operations
- Deliver products on time as per customer commitments
- Reduce errors, rework, and rejection through better control and monitoring
- Continuously improve our processes and overall performance

We believe that quality is everyone's responsibility, and every employee plays an important role in achieving it.

We are committed to implementing and maintaining an effective Quality Management System as per ISO 9001:2015 and to continually improving its effectiveness.

This Quality Policy is shared with all employees and is reviewed regularly to ensure it remains relevant to our work and goals.
